

Tournament Tennis Training

Tennis Tournament Training Clinics @ Cheval GAC will be directed by former Olympian and WTA touring pro Niru Sanjeev. Niru was the no.1 player for India and played in all the Grand Slams including Wimbledon and US Open. She has sent many juniors to top Division 1 schools around the country.

These clinics are exclusive and by selection only. The curriculum for this program will consist of live ball feeds, point situations, rallies, plyometrics, agility, strategy and much more. There will be two clinics a week, one with more focus on drills and stroke production and another will focus more on strategy, doubles, and points and matches.
